

25 YEAR WARRANTY

West Tech Energy is proud to offer an industry leading 25 Year comprehensive warranty covering all components of the solar system, including labor, to the original owner and location stated on the installation agreement.

Presented By:

Andrew Siminoff, Founder / General Manager

Warranty valid starting from the signed installation agreement date. This West Tech Energy warranty covers all parts and labor on all products and components used during installation including roof penetrations. This warranty does not cover consequential, indirect, incidental, exemplary or punitive damages of any kind or nature whatsoever, or any lost income, production or profits, regardless of whether arising from breach of contract or tort, even if advised of the possibility of such loss or damage or if such loss or damage could have been reasonably foreseen.
